# Manual Test Plan

Static GUI picture test

Test 1

This will show up if ImagePathA and TextPathA is loaded to the GUI at Main.

## Test 2

If we only change the ImagePathA to ImagePathB, then

This will show up. Notice the image has changed, but the text remains the same.

Test 3

With ImagePathA and TextPathB,

This will show up. Notice that the text has changed in the textbox.
